

Program

Thursday

19:00	open end	Informal reception at Steinbach
-------	----------	---------------------------------

Friday

08:00	08:45	Registration
-------	-------	--------------

08:45	08:55	Welcome speech Prof. Dr. Philip Russell
-------	-------	--

08:55	10:10	MPL presentations Prof. Dr. Gerd Leuchs Prof. Dr. Vahid Sandoghdar Dr. Vittorio Peano Dr. Johannes Koehler Dr. Kanwarpal Singh
-------	-------	---

10:10	10:30	Coffee break
-------	-------	--------------

10:30	11:00	Invited talk 1 (Dr. Bettina Heim, OHB System) Title of the talk: Student chapters - More than just networking?!
-------	-------	--

11:00	11:30	Invited talk 2 (Dr. Michael Förtsch, Q.ant) Title of the talk: Student chapters - More than just networking?!
-------	-------	--

11:30	12:00	Invited talk 3 (Araceli Venegas-Gomez, OSA quantum ambassador) Title of the talk: From helicopters to quantum simulators: a journey closer to matter
-------	-------	---

12:00	12:30	Invited talk 4 (Prof. Dr. Petra Rudolf, EPS president) Title of the talk: How to become a tenure track assistant professor?
-------	-------	--

12:30	13:00	Video contest
-------	-------	---------------

13:00	14:20	Lunch at MPL
-------	-------	--------------

14:20	15:20	Abstract Writing course (EPL)
-------	-------	-------------------------------

15:20	15:40	Coffee break
-------	-------	--------------

15:40	17:00	Section interaction + Group picture
-------	-------	-------------------------------------

17:00	17:30	Break to arrange posters +1 slide
-------	-------	-----------------------------------

17:30	19:00	Poster session
-------	-------	----------------

19:00	open end	Start to go for the social dinner at : Kaiser Wilhelm, Fichtestraße 2, 91054 Erlangen. The event starts at 20:00.
-------	----------	--

Saturday

08:30	09:15	Best activity award+AC presentation
-------	-------	-------------------------------------

09:15	10:30	Section talks (6 talks) Artsakh Young Minds
-------	-------	--

		Yerevan Young Minds University of Liège FNSPE, CTU, Prague Department of Physics (Humboldt-Universität zu Berlin) MPL
10:30	11:00	Coffee break +Discussion
11:00	12:25	Section talks (7 talks, 12 minutes each) Aveiro University Young German Physical Society national institute of laser enhanced sciences, cairo univesity Universidad de Valladolid University of Santiago de Compostela Faculty of Physics, University of Warsaw Stichting Rino
12:30	13:45	Lunch
13:45	15:00	Section talks (6 talks, 12 minutes each) University of Tours University of Strathclyde University of Zagreb Eötvös Loránd Tudományegyetem HUJI Department of Physics - University of Trieste
15:00	15:30	Coffee break + Discussion
15:30	16:35	Section talks (5 talks, 12 minutes each) Politecnico di Milano Roma Tre University - Department of Mathematics and Physics Università degli studi di Napoli Federico II University of Messina Faculty of Natural Sciences and Mathematics, Macedonia
16:35		Discussion and closing
